## EMPLOYMENT & EDUCATION

- Research Assistant, Hanoi Mathematical Institute (IMH), 2022–Present  
*Supported by IMH and the National Foundation for Science and Technology.*
- International Master's Student, Hanoi Institute of Mathematics (IMH), 2022–Present  
*Advisor: Professor Ngo Viet Trung.*
- B.S. Honor Program in Mathematics, VNUHCM–University of Science, March 2022  
*Advisor: Associate Professor Mai Hoang Bien.*

## PUBLICATIONS

2. Intersection graphs of general linear groups, *Journal of Algebra and its Applications* 20 (2021), 2150039, 14 pages, joint work with M. H. Bien.
1. \* –Group identities on units of division rings, *Communications in Algebra* 49 (2021), 3010-3019, joint work with M. Ramezan-Nassab and M. H. Bien.

## TALKS & CONFERENCES

3. The 12th Scientific Conference of University of Science, December 18–19, 2020  
VNUHCM–University of Science, Ho Chi Minh City.
2. VIASM Basic Notions Seminar, June 11, 2020  
Vietnam Institute for Advanced Studies in Mathematics, Hanoi.
1. DaHiTo Conference in Algebra–Geometry–Topology, December 4–6, 2019  
by IMH, Ba Ria–Vung Tau College of Education.

## AWARDS & HONORS

- Vingroup Master's Scholarship 2022, 2023
- Fellowship for Pre-Graduate Studies in Mathematics 2022
- Odon Vallet Scholarship 2017, 2018, 2022
- VIASM Scholarship for Prominent Undergraduates in Mathematics 2019, 2021
- Le Van Thiem Prize 2019
- Bronze medal, International Mathematical Olympiad 2018  
*Cluj-Napoca City, Romania.*

## TEACHING EXPERIENCE

- Teaching Assistant, Abstract and Linear Algebra Spring 2022  
*Did weekly recitation sessions for 120 undergraduate students.*
